About Us

Media Peternakan (MP) is a scientific journal covering animal science aspects published since 1967, and until now is consistently published three times a year in April, August, and December by Faculty of Animal Science, Bogor Agricultural University, associated with Animal Scientist's Society of Indonesia. MP is a peer reviewed journal that has been accredited by Directorate General of Higher Education (DGHE), Republic of Indonesia since 2005 and has been registered in Crossref, DOAJ, CABI, EBSCO, Indonesian Publication Index (IPI), Google Scholar, AGRICOLA, and other scientific databases; so it makes easier to access MP. MP also used CrossCheck to prevent any suspected plagiarism in the manuscripts.

Aims

MP aims to publish original research results and reviews on farm tropical animals, such as cattle, buffaloes, sheep, goats, pigs, horses, poultry, as well as non domesticated Indonesian endemic animals, such as deers, anoa, babirusa, etc.

Scope

MP encompasses a broad range of research topics in animal sciences: breeding and genetics, reproduction and physiology, nutrition, feed sciences, agrostology, animal products, biotechnology, behaviour, welfare, health, livestock farming system, socio-economic, and policy.

Submission

The submitted manuscripts must be original, have not been published previously in any scientific journal, that manuscripts are not being submitted for publication elsewhere, and follow other ethical standards stated in Policy of Ethics and Malpractices of Media Peternakan. The statement must be stated in a statement of originality and copyright release form (Form A).

Authors have to prepare the manuscripts according to MP's guidelines for format and style. The guidelines and manuscript template available on the portal address <http://medpet.journal.ipb.ac.id/index.php/mediapeternakan/pages/view/instruction>. Manuscript must be submitted via online submission through journal website. If authors have any problems, please contact Editorial office at the following email: mediapeternakan@yahoo.co.id; mediapeternakan@ipb.ac.id.

All the submitted manuscripts will be reviewed by Editors to decide the suitability with MP criteria. Manuscripts could be rejected, returned to authors to be corrected, or reviewed by two or three assigned reviewers. All the review processes are conducted in double-blind review. Author(s) must revise the manuscripts as suggested by reviewers and editorial board. The suitability of manuscript(s) for publication is judged by the reviewers and editorial board.
